GREETINGS FROM THE GOLF PRO SHOP!

We hope everyone is having a fantastic summer. Although the heat has been brutal we are continuing to see more and more members enjoying the Club facilities. Over the next few months we will be unveiling several new programs that will focus on increased member activity and most importantly fun!

The Professional Instruction team at the Club is focused on providing all of our members with world class teaching. Over the summer we have been meeting to develop new ideas and ways to help you enjoy the game more. Our focus is to make golf fun for you. In order to reach more members we will be providing you with new formats of instruction. Juniors will have an opportunity to participate in clinics Monday – Saturday, Ladies will have clinics available three days a week and we will once again be offering our Figure it out Fridays in the Fall. If you need further information please feel free to contact any of your instructors.

Pardon our dust. During September the Golf Shop will be undergoing a renovation. We are excited about the change as it will allow us to offer more products and services to you. This year we will be bringing in products from some new vendors that we are sure you will enjoy. Did you know that any one of our Golf Professionals can custom fit you for a set of clubs? Fitting is a must when purchasing new equipment.

A club that is not made for your specifications will not give you the results you want. Fittings are free to members and usually can be completed within 30 minutes. The prices you receive as a member will match any legitimate that you can find on the internet.

Recently I have noticed that our Pace of Play has begun to slow down again. For the enjoyment of your fellow members we ask that you make sure that your round does not take more than 4 hours. This is more than enough time to complete eighteen holes at Weston Hills. We have such a great Club. Let's not allow slow play to ruin the day. Here are some helpful hints to help those who need it move along:

We Play in 4!

The Members of Weston Hills Country Club wish you a great day on the course. Playing golf at Weston Hills at a reasonable pace is consistent with the traditions of the game, the traditions of Weston Hills and demonstrates the proper respect for others on the course.

All groups playing at Weston Hills are required to meet our Pace of Play Standard of:

- 4 hours or less for a foursome for eighteen holes
- 2 hours or less for a foursome for nine holes

The following Pace of Play Recommendations are

provided to help everyone meet this standard:

• 1st Tee Practices:

- Arrive to tee 15 minutes prior to tee time
- Mulligan's are not permitted
- Organize game to be played prior to arriving to 1st tee

• Be aware of where you are at all times relative to the group in front of you and the clock. In a four hour round you should achieve the following checkpoints:

- Reach the 5th tee in one hour
- Reach the 11th tee in two hours and 15 minutes
- Reach the 14th tee in two hours and 45 minutes

• **Rangers and Starters are authorized to ask groups to speed up or to pick up their ball and go to another hole**

• Be prepared to play at all times:

- Be prepared to tee off
- Always carry an extra ball
- Repair ball marks and prepare to putt while others are playing their ball

• Do not linger on the green; mark your scorecard on the next tee

• Play "Ready Golf" at all times

• Play Smart Golf:

- Move directly to your ball – Avoid traveling in groups drop off one cart Member at their ball and then proceed to the second Members ball
- Watch other players' shots in order to minimize the need to search for lost balls
- Anticipate your shot by carrying several clubs with you
- Be ready to hit at all times
- Always rake your own bunkers, fill divots with sand and fix ball marks
- Play from appropriate tees – guests with a handicap of 10 or higher may not play from the back tees
- Help others maintain a proper pace with suggestions
- Use the time spent moving to your ball to get yardages and think about your next shot
- If you have reached your maximum allowed score, pick up

Respect the other members on the course by moving at an appropriate speed. A slow round ruins everyone's enjoyment of the courses and the day!

With our summer storms it is a good idea to remind everyone that you are required to come in when the siren sounds. We have recently undergone a major maintenance of the Thor Gard system and all sirens are working properly. The system is designed to protect you from a dangerous situation. Please heed the siren warning and seek shelter immediately.

Have a safe and happy summer.

WHWGA 18 – HOLERS

The Women's Golf Association is looking forward to another exciting season of fun golf games, friendly competition, meeting new people and hanging with our friends we haven't seen all summer. Almost all of our members have rejoined and we are thrilled to welcome several new ladies to our group! We are a fun loving bunch of women dedicated to golf whether you are a beginner or a seasoned golfer. Mark your calendars for the Opening Day Scramble which will be on Tuesday, September 20, 2011 with a continental breakfast beginning at 7:30 a.m. Our shotgun start begins at 8:30 a.m. followed by a great lunch. This event is open to anyone in the 9 and 18 hole groups. In addition, any member who is unsure about joining, please come to the Scramble as our guest and see how much fun we have. It is a great way to meet new people and play some enjoyable, stress free golf. Our first regular play day will be on September 27th with a fun game called "Whiner's Dream" where you convert your 3 worst holes to par. As always, the sign-up sheets will be posted on the left side of the bulletin board in the back of the Ladies' Locker Room. Shotgun start will begin at 8:30 a.m, so please be in your carts by 8:15 ready to go! Our tournament co-chairs, Susan Niles and Andy Culberson have done a fantastic job putting together the golf schedule for this season and we look forward to another great year! Don't forget our "Rally for a Cure" tournament has been moved to October 18th to better coincide with Breast Cancer Awareness Month.

Remember, it is never too late to join, as we welcome new members all year. If you join before the opening day scramble, your name will be included in the annual membership book which will be distributed the day of

the scramble. You can find membership forms in the pro shop as well as the locker room. Please give us a call or an email if you have any questions:

WHWGA 9 – HOLERS

Summer is coming to a close and your 9 Hole Executive Board is looking forward to another great season of golf!

We're excited about our calendar of events this year and have made some changes based on the feedback we've received from our membership. One of the big changes this season is that our annual Rally for the Cure tournament is moving to October 18th, so things are in full swing to prepare for the big day. Opening day for the season is Tuesday, September 20th, which will kick off with the Membership Coffee and Opening Scramble at 8:30am. The Scramble will include both the 9 and 18 Holers, followed by lunch.

Please mark your calendars for a meeting of all current and prospective 9 Hole members for a membership coffee at 9:30am in the card room on September 14th. The coffee will be an opportunity to reconnect with each other, meet new members, review the calendar for the season and hear from our committee chairs.

Membership forms have been mailed and should be returned to:

Arlene Corrado
2501 Eagle Watch
Weston, Florida 33327
954-349-9235

All new members interested in joining can access the form by calling Arlene or going to the club website. There is also a list of "Frequently Asked Questions" posted there. New members must have 5 scores recorded in the Pro Shop computer in order to establish a handicap.

I hope everyone had a great summer!

Regards,
Mary Schuver

President, WHWGA 9 Holers
